

Promoting the physical and mental health of cancer survivors and their communities through dragon boating.

Get In The Boat!

Dragon Boat Charleston

CANCER TOUCHES EVERYONE.

BE A SPONSOR AND SUPPORT DBC!

Dragon Boat Charleston promotes the physical and mental health of cancer survivors and their community through dragon boating. Encouraging nutrition and fitness year-round has been scientifically proven to decrease the chance of recurrence among cancer patients and survivors. Cancer touches everyone. Please consider a sponsorship and “Get In The Boat” with Dragon Boat Charleston to #fightcancer!
